## Chapter One Ciphers

---

Normalcy Stabilization

Global Networks, Inc

# Stabilization Operation

---

Postulate: What are the  
normalcy stabilization  
requirements for a society  
that coexist with magic?

Global Networks, Inc maintains that it  
must be the line between magic and  
what humans called 'reality'.

# Global Networks, Inc

## Role in Society

---

Postulate: What are the  
normalcy stabilization  
requirements for a society  
that coexist with magic?

Global Networks, Inc maintains that it  
must be the line between magic and  
what humans called 'reality'.

# Global Networks, Inc

## Missions

---

What are three resources  
wizards require to  
balance their destiny?  
Why?

What is the purpose of the timeline  
of the first darkness of the new age?

# Global Networks, Inc Missions

---

What are three resources  
wizards require to  
balance their destiny?  
Why?

What is the purpose of the timeline  
of the first darkness of the new age?

*Note: These plans [books] are to be studied and developed before choosing the  
timeline.*
